FROM: Renate Behrens, RSC Chair

TO: RSC Board

SUBJECT: Approval of the creation of a Standing Working Group on Examples

Following the discussion at the Joint RDA Board – RSC Meeting about the need for more examples in English, the RSC would like to request permission from the Board to establish a Standing Working Group on Examples to support the work of the RSC Examples Editor.

The issue is time urgent because of the recruitment cycle for the next Examples Editor, so we are asking you to approve this request as soon as possible.
